WORK EXPERIENCE

Salt Creek Advisory; Chicago, IL (Remote)

July 2026 – Present

Software Engineering Intern

Aug 2026 – Present

- Selected to expand into an internal engineering track, building CRM and outreach tooling on a Next.js/Prisma/PostgreSQL stack
- Traced full request flows from API routes through domain logic to database queries, contributing to a secure, multi-tenant data architecture

M&A Research & Outreach Intern

July 2026 – Present

- Researched and verified 20–30 founder- and family-owned lower middle market companies daily, using AI-driven automation and Python to confirm ownership structure and surface warm contact information
- Built preliminary valuation and market analysis models to support deal screening

The Drop Refurbishment Founder; Montgomery, NJ

October 2025 – Present

Business Owner

- Started “The Drop” at 18 years old with no prior experience as an effort to recycle climbing holds sustainably
- Worked with 5 local businesses and refurbished a total of 27 volumes and climbing holds over the course of 2 months
- Prepared and managed invoicing and contract agreements with local partners, coordinating billing and project terms

LEADERSHIP / EXTRACURRICULARS

Boston University CGS Student Government; Boston, MA

January 2026 – Present

Treasurer

- Managed a \$10,000 annual budget across 3–5 student events, allocating funds and tracking spend to stay within budget
- Organized and ran fundraising events, raising over \$2,000 in additional funding for student programming

Boston University Alternative Investment Group; Boston, MA

January 2026 – Present

Pitch Team Analyst

- Conducted financial due diligence and research on AvePoint's Microsoft 365 market position and competitive moat
- Built LBO model projecting revenue growth, EBITDA margins, and cash burn; stress-tested assumptions across multiple scenarios
- Presented investment thesis and valuation recommendation to investor panel — placed 2nd
